

STONECON 2012

Dhule

A Comprehensive Crash Course on Urolithiasis
July 14th & 15th, 2012, Dhule, India.

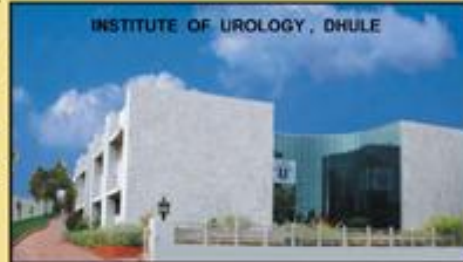

A live symposium was held by the "Institute of Urology, Dhule" with ACPM Medical College auditorium as the venue. The conference was organized in association with USI-WZ and MUHS - Nashik. Dr. Ashish Patil was the Organizing Chairman. The west zone faculty comprised of Dr. Ashish Patil, Dr. Subodh Shivde, Dr. Suresh Patankar, Dr. Gyanendra Sharma, Dr. Hemendra Shah, Dr. Prashant Mulawkar, Dr. Ulhas Sathaye, Dr. Jayesh Dhabalia, Dr. Rajesh Kukreja, Dr. Pankaj Maheshwari, Dr. Sanjay Deshpande, Dr. K. Nanjappa, Dr. Sushil Rathi, Dr. Rahul Gune & Dr. Sanjeev Mehta.

On July 14th, the Honourable Vice Chancellor of Maharashtra University of Health Sciences Nashik, Maharashtra inaugurated the conference. It was a treat to hear his inaugural speech and also his comments on the session he chaired. He appreciated the initiative of a Urolithiasis conference being conducted in an area endemic for the disease. He specially appreciated the first ever live webtelecast on 'stonecon2012.com' of an event in Dhule and wished the organisers goodluck for future similar ventures. A total of 170 delegates attended at the venue and another 50 participated online from around India, London, Singapore, US.

The inaugural also witnessed release of Vol. 3, No. 3 of 'Tejarogya', a quarterly health magazine in Marathi, at the hands of Hon. V. C. and a book on kidney diseases 'Mazi Kidney' written by Dr. Ashish Patil in Marathi was inaugurated by Dr. Suresh Patankar. In his speech Dr. Patankar the president of USI- WZ lauded the efforts of the Institute of Urology to host a conference on a single topic of Urology.

The program was very well organized by the Research Society team headed by Dr. S. K. Singhal under the able guidance of Dr. Ashish Patil.

Quiz for all the delegates was organized and prizes were given to the winners.
